Optimized Outcomes

Our Expertise

As trusted advisors, we provide a range of transaction advisory services which are tailored to address the specific needs of each of our clients. Our knowledge-based banking and extensive operating experience drive our client-first strategies.

Sell-Side Advisory

Services include private business sales, private equity and venture capital backed company sales, and corporate divestitures

Strategic Advisory

Services include board-level growth investment advisory, growth-oriented capital raises, and buy-side acquisition strategies

Our Focus

We offer advisory services to companies in a variety of focused markets. With decades of direct operating and investment banking experience, Falcon advises these sectors with deep understanding beyond the numbers.

Healthcare

Focused on information technology, healthcare services, and technology-enabled services, with particular focus in revenue cycle management

Technology

Focused on enterprise systems, application development software, and vertical and niche software solutions, particularly within the public sector

Commercial & Industrial

Focused on business services, niche manufacturing and packaging, value-added distributors, and some consumer goods

Our Clients

Regardless of the ownership structure, we act with the mentality of a shareholder advocate. We serve a broad spectrum of organizations, ranging from early stage, high growth companies to well-established, multi-billion dollar global corporations.

Business Owners

Founders of private companies and family-owned businesses looking for liquidity event, growth capital, or strategic partner

Corporations

Large companies, both public and privately owned, looking to divest or carve-out assets or strategically search for acquisition candidates

PE & VC Portfolio Companies

Financially sponsored companies looking to exit the investment, invest in new opportunities, or acquire strategic add-on companies
